DESCRIPTION

- Ideal for illuminating construction sites, enclosed spaces or halls.
- Excellent all-round lighting thanks to 360° beam angle.
- The three individual spotlight elements can be individually adjusted for an optimum lighting position.
- The entire spotlight head can be tilted and extended to a height of up to 2.2 metres.
- With four switching levels 100 % - 75 % - 50 % - 25 % .
- Compact and fully collapsible tripod light (only 103 cm long when folded) with 3 sturdy feet.
- Bluetooth control via the free BT-Control app from Brennenstuhl.
- Functions include switching on and off, brightness setting, grouping (several spotlights can be controlled simultaneously) and automatic switch-off via a timer.
- Category 2 equipment (K2 DGUV 203-005): For use in harsh operating conditions with high mechanical, physical and chemical impacts.
